

# Create a Plan

## Consider Answering These Questions to Create a Plan:

Where is God calling me to lead a Bible study: where I live, work, or socialize?

Who could I ask to join me in praying regularly for beginning a Bible study?

How could I connect with those around me? Do I have relationships with neighbors?  
Do I need to host a gathering to get to know people?

Who would I ask to help host the Bible study?

When and where could I have the Bible study?

How would I invite people...email, social media, electronic invite, or printed invitation?

Which NBS2GO study could we use?
